khatrirobin@outlook.com, +33 778040924

32 Rue Emile Littré, 42100 Saint-Étienne

**Facebook:** <https://www.facebook.com/robin.khatrIX>

**Github:** <https://github.com/robinredX>

*Machine Learning graduate student. Interested in making a career in Data Science and Artificial Intelligence.*

## PERSONAL DETAILS

Age: 24 (Born on May 7, 1994)

Nationality: Indian

Current Residence: France

## EDUCATION

### Université Jean Monnet, France

M1 Machine Learning & Data

Mining; 2018-19

Current grade: 16.55/20

### Amity University, India

Master of Statistics

2016-18

Result: 9.74/10

### Ben-Gurion University, Israel

Summer Programme: Cyber Security

2018 July - July

Result: 97/100

### Utrecht University, Netherlands

Summer School, Data Science

2017 August

### CSJM Kanpur University, India

BSc Mathematics, Physics

2010-13; Gold Medal in Mathematics

**Moocs:** Business Foundations, Wharton Online (Coursera)

## SKILLS

**Python, C++ & R:** Proficient, **MATLAB, Java, Weka, Tableau, SPSS, AMPL, LaTeX**

## WORK EXPERIENCE

### Laboratoire Hubert Curien, Saint-Étienne

2019 Apr - present

Topic: Machine Learning for Bone Imaging

Using Optimal Transport for image super resolution

### National AIDS Control Organization, Govt of India

2018 Jan - June

Thesis Internship, Topic: Assessing AIDS Stigma in India

Achievements: Successfully participated in transformation of communication policy of NACO through data driven consulting, achieved highest grade in the thesis

### Malware Lab, BeerSheba, Israel

2018 July

Project, Topic: Machine Learning Approach to Secure a Water Treatment System

Implemented Machine Learning algorithm (Random Forest) to secure a water treatment unit

**Institute of Economic Growth, New Delhi**

2017 May - July

Summer Internship, Topic: Analysis of Deposits held by Commercial Banks in India

**Accountant**

2013 - 2016

JSA Auto Pvt. Ltd., Kanpur, India

### ***AWARDS AND HONORS***

Charpak Scholarship of Excellence (2018-19) to pursue master in France, French Embassy

Merit Certificate for securing highest marks, Amity University, India

Gold Medal in Mathematics, Kanpur University 2013

Honorable mention, National Essay Competition, United Nations Information Center, India and Bhutan

### ***LANGUAGES***

English : C1 (Advanced)

Spanish, Swedish: Working knowledge

Hindi: Native

### ***RECENT SCHOOL PROJECTS***

**Available on Github: <http://github.com/robinredX>**

1. Detection of attacks on a Water Treatment Unit in R
2. Bittorrent Client in Python
3. Implementation of a range of algorithms to approximate solution to TSP in Python
4. Corner Detection in MATLAB
5. 3D Reconstruction in MATLAB
6. HIV related Stigma and Comprehensive Knowledge Among Indian population in SPSS

### ***VOLUNTEERING EXPERIENCE***

7cups; Providing peer-support to people in distress (Since 2015)

Distributed Publishers - Project Gutenberg; Proofreading new ebooks. (Since Jan 2019)

### ***OTHER INTERESTS***

Typography, Carpentry, Poetry
